Total	18891	18431	17631	16591	16988	16551	-12%

Confined juveniles

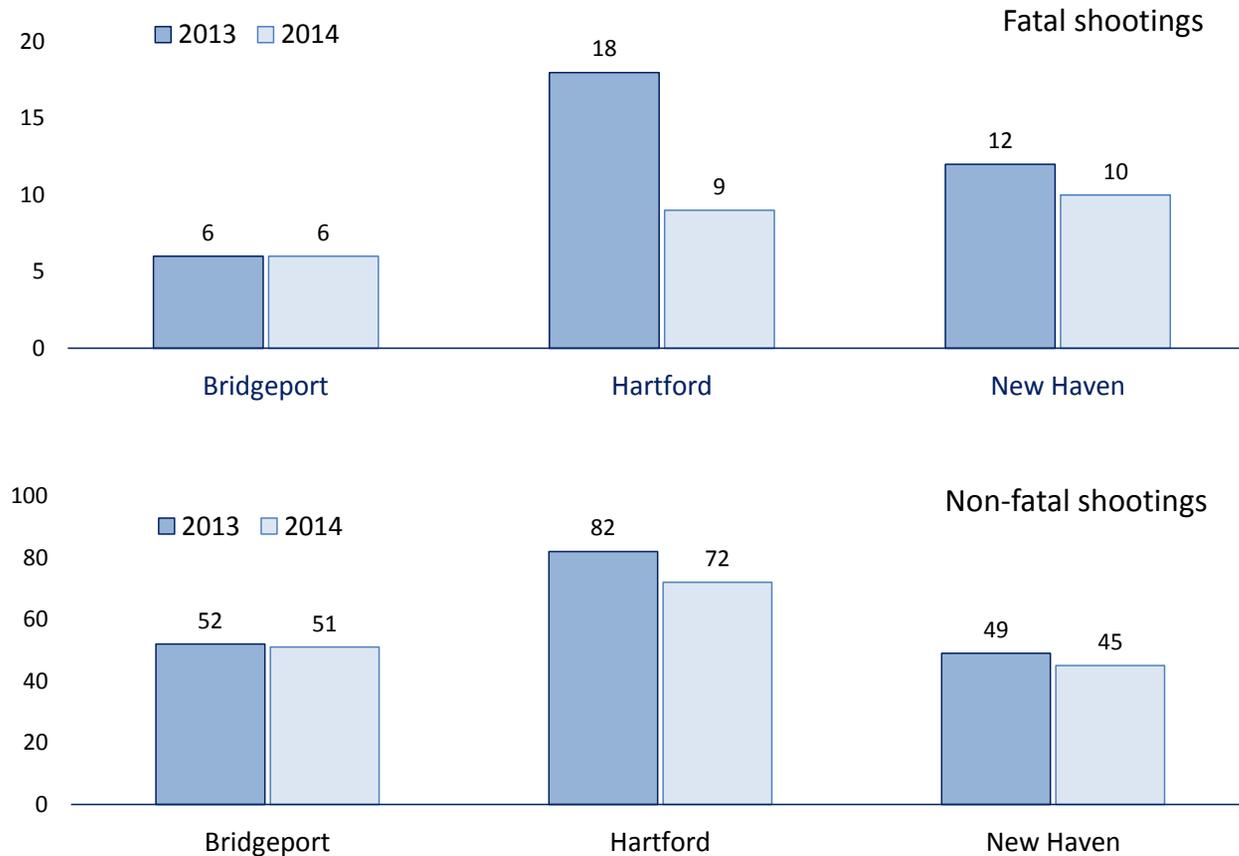

* In 2014, CT created a separate juvenile facility for females. There are currently 7 girls and young women confined there.

Summertime pre-trial population

- **The state's pre-trial prison population rises during the summertime. In recent years, however, the number of pre-trial prisoners held in prison has been trending downward, as have the number of statewide criminal arrests.**
- **The number of pre-trial prisoners incarcerated on September 1, 2014 (3,553) was the lowest September 1st total since 2003 when 3,550 pre-trial detainees were incarcerated.**

Urban shootings - YTD

- In CT's 3 largest cities, shooting fatalities are down 31% compared to last year. The number of non-fatal shootings declined by 8%**
